v-f File No. 26 of 1929

Serial No.

11 Letter no. C 103/28-29 dated 11/12/29 from the Revenue Commr in Mysore soliciting orders in regard to the adjustment of the provision made for the supply of stationery articles to the taluk offices for village panchayet work

1 It is not known why the Supdt Govt Stationery did not prefer any claim for the charges during 1927-28.

2 The forms and registers for use by local bodies are being supplied free of cost and not charged for. The articles of stationery that have to be supplied to the taluks for village panchayet work, have been specifically mentioned in the statement appended to the Lr. dated 29.9.28 and referred to.

3 The grant allotted for the supply of stationery for contingencies under "30 grants (5) Rural Reconstruction Govt. for 27-28 & 28-29 has all been distributed and there is no reserve

4 If the Rev. Comm's recommendation not to charge the Village Panchayet with the cost of stationery and forms, is to be approved, no reference to the Supdt Govt. Stationery is necessary, & any claim if any claim were to be preferred by the Stationery Deptt, the amount will have to be sanctioned as an additional grant

The govt order dt 25/29/9/27 having been adverted to by the Aud Com it seems that the cost of supplying stationery articles as paper, ink, penholders pencils to Dalwai offices for Panchayat work is in question if so the cost has to come from State funds just as the cost of the RSO Bar in Govt and Dy Coll's offices If the provn under consideration in the Budget is intended for such purposes the provn has necessarily to go to the Stationery dept that dept having supplied the articles. Do not use last years allotment was actual but will afford a clue in the matter. The year 27-28 having come past nothing perhaps can be done in respect of the provn for 27-28 As regards that for 28-29 the Aud Com may perhaps be asked to issue instructions to the Dcs to stop further expenditure of the allotments pending a decision of the

question. If the amount has to be met by cut the proposal can straight be made in the Stationery budget itself. As regards Local Bodies including perhaps the present panchayats also are getting free supply from Govt. the question of debiting half cost to them is under consideration by a Committee in this behalf ie (Dept of PH)

6/28/1

b The Government have ordered the supply of stationery articles to the Taluk Offices for Village Panchayet work for 1927-28 and 1928-29.

9 In the Budget for 1927-28, under "Rural Reconstruction" a sum of Rs.16,580/- has been provided under "contingencies" and in page 43 of the budget, a sum of Rs.12,000/- is shown as deduction against the Village Panchayet grant to be credited to the Stationery Department on account of cost of Printing and Stationery, without showing from what particular grant of the Village Panchayet the amount is to be deducted and without any corresponding entry in page 83 under Village Panchayet or Rural Reconstruction grant that a deduction is to be made under any of these grants on account of the cost of stationery etc.,

NOTE—Contn. sheet

WD 021—GPB—30,000—21-8-28

Serial No.

etc., to be supplied to the Taluk Offices.

8 For the year 1928-29 no such debit is shown at all.

9 The grants under "Contengencies" for these 2 years have been distributed among the Districts -- without taking into consideration the payment alleged to be due to the Stationery Department. The -- contingent grant of 1927-28 which remained unutilised have been allowed to be used for "Village Improvement works" and permission has been given for such amounts being used for Improvement works in 1928-29 also. The amounts for 1927-28 have perhaps all been utilised one way or the other. There may be some amount left for 1928-29 though distributed among the Districts.

10 The Comptroller has asked that the amount -- specifically provided for 1927-28 should be adjusted and a similar payment should be made for 1928-29. The contention of the Comptroller further seems to be as the Taluk Boards which are replaced by the Village Panchayets were paying for the Stationery, the supply now made should also be paid for. The analogy does not seem to be quite correct. In the former -- case, the Taluk Boards had a special existence, and their work was being attended to in the Taluk Offices for the whole of the area. Now only the supervision work of the Panchayets is being attended to in the Taluk Offices and the stationery is supplied not to the Village Panchayets but only to the establishment works in the Taluk Offices for Panchayet work.

11 In the Districts which have not got separate District Boards, the Board work is attended to by the District Board establishment and they utilise - - -

NOTE—Contn. sheet

Serial No.

utilise stationery also but this is not separate charged for.

12 The Stationery Department does not seem to have claimed for payment. The Revenue Commissio says that if payment for stationery and forms were made out of the grant, there would be very little amount left for contingencies and as forms were being supplied to the Taluks free of cost when t were doing Village Improvement work, the forms -- supplied to the Village Panchayets need not be --- charged.

13 The local bodies are not required to pay for forms supplied to them now. The question of requiring them to pay half the charges is under consideration. Till any payment is ordered Village Panchayets which should be included in the term Local bodies should not be called upon to pay for forms supplied.

14 As the grant under contingencies for 1927-28 must have been utilised by now, and utilisation of grants under this head for contingent and other purposes has been ordered, the recommendation of the Revenue Commissioner not to require payment for the Stationery and Forms supplied to the Taluk Offices and for forms supplied to Village Panchayets has perhaps to be sanctioned.

15 If payment for 1927-28 is to be made, then Government may have to sanction an additional grant for Village Panchayet work for 1927-28 and for further use of the amount for purposes connected with Village Improvement and for other than - - - strictly contingent purposes may be ordered to be stopped

bear the charges. Provision may continue to be made for meeting them from Govt. revenues. The point at issue is — whether the expenditure should be booked under 'Stationery and Printing' as under 30 Grants for P. D., the credit being afforded to the former which first bears the outlay by transfer adjustment — The first alternative is no doubt simpler. I am however inclined to agree with the Committee for this reason viz — the ~~the~~ aggregate financial assistance — whatever may be the form — afforded to Village Panchayats by Govt. will be recorded in one place — This is a distinct advantage in the method of accounting suggested by the Committee — There is no practical difficulty in adopting it

If an addl. grant is required during the current year, then under 30 Grants for P. D., there will be corresponding credit under Stg. & Printing and the budget position will be unaffected

V.P.-26-28-11.

SIR,

Adverting to Government Order No. L.2419-21/V.P. 17-26-7 dated the 25/29th September 1927 directing the supply of stationery articles to the Taluk Offices for Village Panchayet work during 1928-29, I have the honor to state that the Comptroller to Government intimated in his letter No. 488 W.A.D. Mis. dated 10th October 1928 that amount equal to the cost of the articles supplied should be got transferred to the stationery budget debiting the same to the provision under 30-5. Rural reconstruction - "Contingencies". On a reference from this office enquiring as to the Government Order or other authority under which such a course was suggested and whether such a procedure was adopted in the previous year etc., he has replied in his letter No. 613 W.A.D. Mis. dated 11th December 1928 (copy enclosed) that a sum of Rs.12000/- had to be paid to the Stationery Budget from 30-5 Contingencies for 1927-28 (as per foot note on page 43 of the budget estimates of 1927-28) but that the adjustment was not effected, no claim having been preferred ~~pared~~ by the Stationery Department in that year and that that claim will have to be adjusted during the current year if preferred. He also mentions that the Taluk Boards were replaced by the Village Panchayets. that the stationery etc., supplied to the former were being paid

I therefore suggest that it is not necessary to charge the cost of stationery etc., to the amount under 30-5 contingencies, as proposed by the Comptroller. The cost may be borne by the stationery and press budget only and if need be the annual grant of that Department may be raised suitably: I solicit early early orders of Government in the matter.

I have the honour to be,
Sir,
Your most obedient servant,

Revenue Commissioner.

SIR,

Adverting to Government Order No. L.2419-21/V.P. 17-26-7 dated the 25/29th September 1927 directing the supply of stationery articles to the Taluk Offices for Village Panchayet work during 1928-29, I have the honor to state that the Comptroller to Government intimated in his letter No. 488 W.A.D. Mis. dated 10th October 1928 that amount equal to the cost of the articles supplied should be got transferred to the stationery budget debiting the same to the provision under 30-5. Rural reconstruction - "Contingencies". On a reference from this office enquiring as to the Government Order or other authority under which such a course was suggested and whether such a procedure was adopted in the previous year etc., he has replied in his letter No. 613 W.A.D. Mis. dated 11th December 1928 (copy enclosed) that a sum of Rs.12000/- had to be paid to the Stationery Budget from 30-5 Contingencies for 1927-28 (as per foot note on page 43 of the budget estimates of 1927-28) but that the adjustment was not effected, no claim having been preferred ~~pared~~ by the Stationery Department in that year and that that claim will have to be adjusted during the current year if preferred. He also mentions that the Taluk Boards were replaced by the Village Panchayets, that the stationery etc., supplied to the former were being paid

Letter No. 613 WAD.Mis. dated 11th December 1928 from the Comptroller to Government, to the Revenue Commissioner in Mysore, Bangalore.

--

With reference to your letter No. C.103/28-29 dated the 26th October 1928, requesting to quote for reference the Government Order or other rule under which a transfer of funds on account of the cost of printed forms, receipt books, stationery etc., supplied by the Stationery Depot to the several Village Panchayats is necessary, I have the honour to invite kind reference to page 43 of the detailed budget estimates for the year 1927-28, and to state that according to the foot-note therein contained, a sum of Rs.12000/- had to be paid to the Stationery and Printing Department and charged to 5 Rural Reconstruction (i) Establishment, contingencies under 30 grants. As however, no claim was preferred by the Stationery Department, the adjustment was not effected last year. The cost of books etc., supplied to the village panchayets will have to be adjusted during the current year when the claim is preferred.

2. Further, the Taluk Boards were replaced by the village panchayets. The stationery etc., supplied to the former had to be paid for and in the present case, tnough such stationery is not really intended to be paid for by the various panchayets, the stationery department has to be necessarily reimbursed by debit of an equal amount to 30 grants as stated above.

3. Under the above circumstances, it is considered that the distribution of the grant under contingencies to the several districts has to be made after reserving sufficient amount to meet the cost of such stationery and forms to be supplied by the Stationery and Printing Department. If however, you still consider that payment of

/5—

of the cost of stationery etc., is not necessary, definite orders of Government may be kindly obtained and communicated in the matter.
